

Module 2: Bases: Thrust / Non-Thrust

Module 3: Mechanical Switch Mechanism / Digital Switch Mechanism

Module 2: Bases: Thrust / Non-Thrust

- 2A Thrust base assembly complete, all variants
- 2B Thrust base assembly less drive coupling
- 2C Drive coupling only
- 2D Thrust bearing assembly only
- 2E Drive coupling and thrust bearing assembly
- 2F Base maintenance kit. O-rings, split ring, retainer clip
- 2G Thrust base adaptor F10 to F7 / FA10 to FA7
Note: only available for CK30/60

Module 3: Mechanical Switch Mechanism / Digital Switch Mechanism

- 3A Mechanical switch mechanism
- 3A1 Mechanical switch mechanism (anti-clockwise)
- 3B Digital switch mechanism
- 3C Cable guide
- 3D Torque switches x2 including looms
- 3E Limit switches x2 including looms
- 3F Blinker switch including loom
- 3G Additional torque indication switches x2 including looms
- 3H Additional limit switches x2 including looms
- 3J Heater
